The hardware

Award	Winner	The story
Tournament MVP — \$100	Joey (14)	4–0 on the weekend — the only unbeaten player on either side. A 14-handicap shooting like a 6; MVP and under friendly investigation.
Ryder Cup Champions — \$600	Rough Riders	\$50 to each of the twelve. Captain Dan lost most of his own matches and won the war anyway — that's drafting.
Horserace Jackpot — \$500	Winner-take-all	One 9-hole elimination shootout, gallery walking the final holes.
Round wins — \$300/round	Split by winners	Every round pays. Nobody plays a dead round all weekend.

The trip ends. The records don't. Next year's draft starts with this book open.
