

Four Years of The Annual

Chelan '24 · Portland '25 · Gamble Sands '26 · St. George '27

The same group. Every April. Four states and counting.

This is the tradition engine at work: one group, one brand, a records book that gets thicker every year — and an organizer who shows up to his own trip as a player, because the Trip Desk carries the clipboard.

2024

Lake Chelan, WA

Bear Mountain · Gamble Sands · Desert Canyon

Two-man shamble and best ball across the Columbia River bluffs; poker nights at the lake house.

2025

Portland, OR

Pumpkin Ridge (Ghost Creek) · The Reserve · Langdon Farms

Team Ryan takes it 18.5–16.5. Golf engineered at \$539/player across three marquee courses.

2026

Gamble Sands, WA

Rock Island · Sands · Quicksands · Scarecrow

24 players. Full Ryder Cup with draft night. Rough Riders survive 18.5–17.5 — decided by one point.

2027

St. George, UT

Coral Canyon · Sand Hollow · Falcon Ridge

28 players, five rounds, \$1,204/player pre-flight against a \$1,500 ceiling. The flagship build.

Every year adds a chapter: the crest gets a year badge, the trophy gets an engraving, the wrap-up book gets a new roast section, and the next destination gets a reveal video the group chat talks about for a week.

Start your Annual. Year one is the hardest — that's the one we take off your plate.
